**CLARK ADVANCED LEARNING CENTER RANKED TOP HIGH SCHOOL ON TREASURE COAST**  
*Charter high school on IRSC Stuart Campus scores in top ten high schools in Florida*

The Clark Advanced Learning Center, a public charter high school on the Chastain Campus of Indian River State College, earned the highest score on the Treasure Coast in Florida's high school ranking. Clark amassed 1,442 points for the highest score in the region, placing in the top ten out of over 490 high schools throughout the state. All Martin County high schools excelled, receiving an A grade, with Clark earning an A designation for the sixth year in a row. Points are earned for student achievement on the Florida Comprehensive Assessment Test (FCAT), student graduation rate, participation and performance in accelerated curriculum, and college readiness.

"I know this accomplishment is the result of the persistent hard work and commitment to excellence of our Clark teachers and students," said Maria Mosley, Clark Executive Director.

The Clark affords students with the opportunity to earn high school and college credits tuition free through dual enrollment with the convenience and resources of a college campus. As a result, students typically graduate with their high school diploma and a year of more of college completed. Over 50% of the 2013 senior class graduated from Clark with an Associate Degree awarded by Indian River State College, enabling them to continue their studies as juniors at the university level.

Clark students also engage in internships related to their interests and utilize technology in project-based learning, with a personal laptop computer assigned to each student while in attendance at the school. The Clark serves about 240 high school sophomores, juniors and seniors and is now accepting applications for the 2014-2015 school year. The high-performing school is located at 2400 S.E. Salerno Road in Stuart. For more information, call 772-419-5750 or visit [www.clarkadvancedlearningcenter.org](http://www.clarkadvancedlearningcenter.org).
