Re: Teacher Salary Increase Fund Allocation

In accordance with Chapter 2020-94 of House Bill No. 641, an allotment of funds is provided to K-12 schools for increasing the salaries of designated classroom teachers and support personnel.

The Florida Department of Education has informed us that Clark's allocation of funds for 2020-21 distribution is **\$39,545**. I recommend Board approval to allocate these funds according to the Clark Salary Schedule as attached.

Thank you for your consideration of this recommendation.
