

To get started you will need to first login, download, and install the Creative Cloud desktop app:

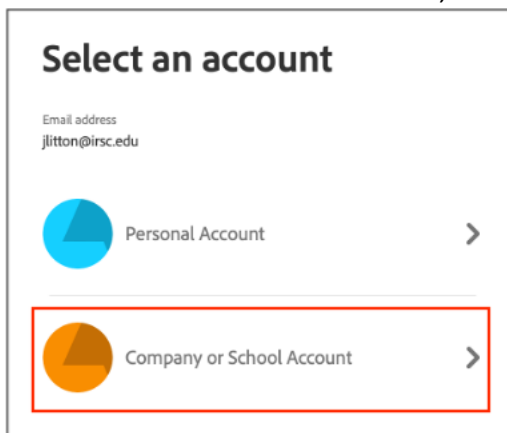

1. Using a web-browser, visit <https://creativecloud.adobe.com/>
2. Click the “**Sign In**” link in the upper right-hand corner of the webpage

3. At the **Sign In** window, type in your IRSC email address and click the **Continue** button.  
\*\*If you are on campus and automatically logged into the Creative Cloud homepage, proceed to step 6.

A screenshot of the "Sign in" window. The title "Sign in" is at the top. Below it is the text "New user? [Create an account](#)". There is an input field labeled "Email address" with a small key icon and a dropdown arrow on the right. At the bottom right is a blue "Continue" button.

4. At the **Select an account window**, select “**Company or School Account**”

A screenshot of the "Select an account" window. The title "Select an account" is at the top. Below it is the text "Email address" followed by "jitton@irsc.edu". There are two account options, each with a circular icon and a right-pointing arrow. The first option is "Personal Account" with a blue icon. The second option is "Company or School Account" with an orange icon. A red rectangular box highlights the "Company or School Account" option.

5. Authenticate your account with My Pioneer Portal using your IRSC logon and password

The screenshot shows the IRSC MyPioneerPortal Sign-In page. At the top is the IRSC logo and the text "MyPioneerPortal". Below this is a placeholder for a user profile picture. The main heading is "Sign-In". There are two input fields: "Email Address" with the instruction "Enter full RiverMail email address" and "Password". Below the password field is a checkbox labeled "Remember me". At the bottom is a blue "Sign In" button.

6. You are now on the Creative Cloud homepage which allows you to access Adobe apps, your saved Adobe cloud documents, and training videos.
7. Click the “**Install Creative Cloud app**” link in the upper right-hand side of the webpage and click to **allow** the download. Click through the prompts to install the Creative Cloud app. If you are asked to logon to My Pioneer Portal again, please do so.

The screenshot shows the Adobe Creative Cloud user profile page for Jason Litton. At the top left is a blue circular profile picture icon. To its right is the name "Jason Litton" and a link "Manage account". Below this is a horizontal separator line. Underneath is the text "Adobe for Enterprise". Another horizontal separator line follows. Below that is the heading "Quick links". Under "Quick links" are three links: "Install Creative Cloud app" (highlighted with a red arrow), "Help center", and "Contact us".

8. Once the Creative Cloud installation is complete, you will be presented with the Creative Cloud app. You can use this to install or update Adobe applications, view your saved Adobe cloud documents, participate in Adobe trainings and more.

**Notes:**

- You should not see any trial, payment, or subscription options when logged in through your IRSC Adobe Creative Cloud account. If you are seeing this, you are most likely logged in via your personal Adobe ID. Please log out of that account on both <https://creativecloud.adobe.com> as well as the Creative Cloud application if it is installed. Once you have done that, log back in using the directions above.
