CLARK ADVANCED LEARNING CENTER EARNS TOP RANKINGS

Clark Advanced Learning Center has been ranked as the third highest rated Florida high school on the Newsweek 2016 American's Top High Schools ratings. The public charter high school in Stuart is #110 out of 500 in the national ranking based on college readiness, graduation rate and college bound students.

Located on the Indian River State College Chastain Campus and affiliated with the Martin County School District, the Clark has also earned the highest score on the Treasure Coast in Florida's high school ranking and an "A" designation for eight years in a row.

The Clark affords students with the opportunity to earn high school and college credits tuition free through dual enrollment with the convenience and resources of a college campus. As a result, students typically graduate with their high school diploma and a year or more of college completed. Clark students also engage in internships related to their interests.

Clark serves about 250 high school sophomores, juniors and seniors at 2400 S.E. Salerno Road in Stuart. For more information, call 772-419-5750.
