FORT PIERCE — Seven Clark Advanced Learning Center students were recently recognized for their academic achievement by induction into the Nu Iota Chapter of the Phi Theta Kappa International Honor Society at Indian River State College. The Clark inductees were: Trey Bomeisler, Meaghan McMahon, Allison Orr, Joseph Rubano, Kara Russell, Paige Turner, and Riha Wadhwa. These IRSC dual enrolled students achieved a 3.5 grade-point average or higher while carrying a full college course load. During the induction ceremony, the students participated in the traditions of candle lighting (the symbol of knowledge), taking a white rose (symbolizing intellectual friendship), reciting the Phi Theta Kappa oath of membership, and signing the membership book. Phi Theta Kappa is the largest honor society in American higher education with 1,100 chapters located around the world and more than 1.3 million members since its founding in 1918.

Clark Advanced Learning Center students have an opportunity to complete one to two-years of college at no cost through dual enrollment. Students also engage in internships related to their interests and utilize technology in project-based learning. A personal laptop computer is assigned to each student while in attendance at the school. The Clark Advanced Learning Center is located at the Indian River State College Chastain Campus, 2400 S.E. Salerno Road, in Stuart. Applications are available now.
