January Crane Recognition goes to the (unrelated) Judds!

As shared by a student: “**Mr. Judd** is an outstanding history professor at Clark. Speaking from a student’s standpoint, I have always disliked history until I took it with Mr. Judd. He teaches it in a way that I can retain and comprehend. He knows the subject like it is the back of his hand. Because of this, he can teach the information in a way that appeals to the students. It is as if he is telling a story.”

As shared by a parent, **Ms. Judd** was nominated for being involved in so many aspects of the school and “handling every surprise in the day with the utmost professionalism, patience and grace.”

CONGRATS to the **MANY** students recognized at the assembly this week for earning all As and Bs (top pic), all As (middle pic) and Perfect attendance (bottom picture) for the Fall semester! Keep making these good choices!
