Subject: Clark news for the LAST DAY of the 2018-19 school year!

Wow! The 2018-19 school year has come to a close officially! We are looking forward to celebrating with and sending off 84 amazing graduates tomorrow morning to a wide range of colleges, the military, and the world of work. Thank you to the students and families who have given so much of their dedication and commitment to Clark being the amazing learning environment that it is. We look forward to seeing our returning students and parents at the REQUIRED Annual Updates Session (aka orientation) on August 6 at 5:30 pm.

Summer office hours: Monday- Thursday from 7:00 am- 5:30 pm. Many of us are taking some much needed time off, however, so make sure if you need a specific person, s/he is working!

Huge thanks to the family of **Shane Maxson** for an AMAZING staff breakfast this week to wrap up the school year!

Shout out to **Kaitlyn Mulcahy and Eliana Cotton** for taking our large collection of plastic bags to LAHIA this week. They were in need and these two students were willing to transport to meet the need!

The Stuart Martin Chamber of Commerce held its Class 22 graduation ceremony for Martin Youth LEADERShip this morning. As part of the ceremony, underclassmen shared the lessons they learned by participating in capstone projects - studies on current events and issues impacting our youngest generation. Students researched and developed projects about the dangers associated with vaping, stress/time management and career availability/skills associated with acquiring a job. Congrats to the Clark participants: **Jordyn Golden, Katelyn Herter** (4th pic), **Brooklyn Holland** (2nd pic), **Abbie Nauss, Jordan Scott** (3rd pic), and **Katelyn Berger** (1st pic).

Report cards will be mailed once all grades are finalized. Look for these the first week of June. FSA and EOC test scores will not be available until the end of June/ early July, however.

Unfortunately, our **Student Support Specialist** , Mrs. Depaulis, will not be returning for next school year. We hope to have a replacement in place, but in the meantime, you can email dkohuth@irsc.edu or ljudd@irsc.edu if there is something she usually assisted you with. We will miss her significant support to our students!
