For people who are wondering **what's happening behind the school...** the brief reply to this common question over the past few days is simply leveling so the grass can grow again since the deforestation post-fire Feb 2017.

Three Clark students (**Dillon Hansen, Gabby Galland, and Mackenize Abbott**) have started the process of forming a nonprofit service organization. Stand 2 Help is **collecting new socks for children and families** in need in our community. Donations can be dropped off in the labeled box near the front desk. Any student who donates five pairs will receive a volunteer hour, put your name and phone number on a sticky note attached to the socks so you can be signed off. All donations will go to the Indian Town open doors food pantry and are greatly appreciated.

IRSC is holding a **Resume Writing Workshop:** Wednesday, December 5, Room C120, 4:30PM –6:00PM

### **Reminders**

Pages 10-11 of Student Handbook: **If the student must leave campus before the end of his/her scheduled school day, the following steps must be taken:**

1. See Student Services in Room 137 (Knowledge Room office – Mrs. Wood).
2. Student Services contacts parent/guardian to obtain permission to leave early.
3. Upon receiving permission, student and parent must sign out in the log book located at the front desk. Before a student can be released to anyone, authorization must be verified through Student Services.

Students scheduled to be in a class in the Clark building are NEVER to leave the building without the knowledge of a Clark employee.

**Clark winter exam schedule** is available on our website [here](#). Good luck as you continue IRSC finals next week!

**Seniors attending Grad Bash-** you should've paid off AT LEAST \$100 by Dec. 1. Bring your payments to Ms. Judd ASAP.

It is that time of year again when several participating local dentists organize

## Project Christmas Smile!
