

Appreciation and Celebration

Clark junior, **Jordan Scott**, was crowned Miss Martin County at the Martin County Fair on Feb 8th

Thanks to the family of **Brittney Clemons** for staff breakfast!

This past Wednesday, Mrs. Bartow's Anatomy classes traveled to Orlando to visit **Skeletons: the Museum of Osteology** (a museum of bones!), thanks to the many generous donations to her **Fund-A-Project** through Education Foundation. Students got to see 500 actual animal skeletons and take part in a great program on bone forensics. **Thank you to all the donors who made this trip possible!**

Thanks to the students at the west doors who noticed 2 young women enter while the doors were open who didn't belong and immediately reported this to staff. It is always best to speak up when something seems not quite right.

News to Know

Say Something Week starts Monday and runs all week. The Sandy Hook Promise reps and the Safe School Ambassadors invite you to join them during this youth violence prevention week and help empower ourselves and our peers to Say Something and save lives. Say Something Week raises awareness and educates students and the community about averting tragedy and protecting friends from hurting them self or others. Together, we can look for warning signs, signals and threats. We can act immediately and take signs, signals and threats seriously and Say Something to a trusted adult before someone hurts them self or others.

HOW CAN YOU GET INVOLVED? Join us at our table during lunch on Tuesday, Wednesday, and Thursday next week and **take a picture at our Selfie Station**. You can show the importance of being an Upstander as well as promoting the reasons for Say Something.
