2023-2024 School Profile

THE SCHOOL

In 2004, Clark Advanced Learning Center (Clark) was established as a charter high school in partnership with Martin County School District and Indian River State College to provide "middle majority" 10th, 11th, and 12th grade students with enhanced education and career training opportunities through access to a rigorous technology-enriched curriculum in a small school environment. Clark is located in southeastern Florida and serves 250 students. Approximately 15% of our students are on free/reduced lunch. For the fall semester of the 2020-2021 school year, students and their families were given the option of attending school in-person utilizing a hybrid model, or they could access all of their classes remotely from home. Students taking dual enrollment classes at Indian River State College had few options for in-person classes. Most were completely online or hybrid. Twenty-five percent of our students were entirely remote for fall of 2020. More than 90% of our students returned to a traditional, in-person schedule for the spring of 2021, and 100% of our students were in-person for the 2021-2022 school year.

ENROLLMENT

Enrollment for 2023-2024 in grades 10 through 12 totals 250 and is distributed as follows:
Grade 10.....72 students
Grade 11..... 84 students
Grade 12.....93 students

COMPUTATION OF GPA & RANK

Students are cumulatively ranked at the end of each semester based on their Honors Point Average (HPA). Students are given both a GPA (unweighted grade point average) and an HPA (weighted honors point average). The GPA is calculated based on the following scale for a 1 credit course:

A—4.0 B—3.0 C—2.0 D—1.0 F—0.0

Class rank is computed via a weighted quality point system. The points are generated based upon both the grade earned and the instructional level difficulty of each completed course, as indicated below. Class rank is determined by computing the weighted grade point average of all high school credit classes taken by a student.

INTERPRETATION OF GRADES

A = 90 – 100
B = 80 – 89
C = 70 – 79
D = 60 – 69
F = 0 – 59

TEST SCORES (2022-2023 Seniors)

SAT Mean Scores:

Total—1124

Section Score: Evidence-Based Reading & Writing—515

Section Score: Mathematics—547

Test Score: Reading—29

Test Score: Writing & Language—29

Test Score: Mathematics—27

Percentage of Seniors Tested—89%

ACT Mean Scores:

English—22

Math—20.5

Reading—22

Science—21

Composite—21.5

Percentage of Seniors Tested—34%

CLASS OF 2023 PLACEMENT

To 4-year College 53%
To 2-year or Technical College 38%
To Military Service 3%
To Employment or other 6%
% earning Associate Degree by 8/2022....55%

POST-SECONDARY MATRICULATION (Classes of 2020-2023)

GRADUATION REQUIREMENTS

Clark operates on semesters and eligible students can take up to 19 dual enrollment credits in one semester. All students are required to take a minimum of four courses each semester. Each high school level semester course is worth 1/2 credit and a full year course is worth 1 credit. A minimum of 24 credits is required for graduation.

The 24 credits required are:

- | | |
|---|--|
| 4 – Language Arts/English | 1 – Fine Arts |
| 4 – Mathematics (including Algebra 1 & Geometry) | 1 – Physical Education |
| 3 – Science (including Biology) | <ul style="list-style-type: none"> • HOPE <u>or</u> • 1/2 Personal Fitness & 1/2 PE elective |
| 3 – Social Science | 8 – Electives |
| <ul style="list-style-type: none"> • 1 - World History • 1 - American History • 1/2 – Economics, 1/2 – American Government | <ul style="list-style-type: none"> • 1/2 credit of Internship REQUIRED |

COURSE OFFERINGS 2023-2024

Digital Media / Graphic Design

AP 2-D Art
ARH1000 Art Appreciation
DIG1000 Digital Media Princ
DIG1115 Adobe Photoshop 1
DIG1143 Video Making Social Media
PGY1800 Digital Photography

English

English II Honors
English 3
English 4
ENC1101 English Composition 1
ENC1102 English Composition 2
LIT1000 Intro to Literature

Information Technology

CIS1000 Intro to Info Tech
CGS1060 College Computing
COP2000 Intro to Computer Programming

Mathematics

Geometry Honors
Algebra II Honors
Math for Data & Fin. Literacy
MAT1033 Intermediate Algebra
MAC1105 College Algebra
MAC1140 Pre-Calculus
