Summer B books will be issued in mid June. Do not wait to schedule with Ms. Jones so that we have books ready for you. Summer A books will be due back within one week of the semester ending. All fall and spring textbooks are now overdue! Drop these off next week between 8 am and 4 pm Tuesday and Wednesday.

Students in EOC courses should've received a letter from the MCSD about how taking the EOC at a later date can only help your grade and count towards the scholar designation. It also explains how your grade for the year is being calculated since there will not be an EOC to average in. Reach out to Ms. Judd with questions. We do not know when/if testing will be available this summer. [Letter here.](#)

Be sure to watch the entire video and fill out the contact form, so you will receive information on how to schedule your senior portraits. cady.com/2021

Mrs. Kohuth's Song of the Week: "Be A Light" by Thomas Rhett and friends

In a place that needs a change, make a difference

In a time full of noise, just listen

'Cause life is but a breeze, better live it

In a place that needs a change, make a difference

In a world full of hate, be a light

When you do somebody wrong, make it right

Oh, don't hide in the dark, you were born to shine

In a world full of hate, be a light
