Subject: Clark News 3/27... TGIF (I think???)

Hello Clark families! What a strange “return” from Spring Break week this has been around here! We hope that you will be able to spend some quality time (while remaining socially distant, of course) enjoying fresh air and your family this weekend. We have heard from some of our parents in the medical field who know firsthand that this is an ugly illness, so please do all you can to remain healthy so we can all be back here for a giant “welcome home, Clark students” celebration sooner versus later!

Just a few announcements:

- Quarter 3 report cards are available in FOCUS. For most classes, this shows an interim grade. Do not hesitate to reach out to teachers with any questions or concerns. They have worked very hard to be ready to meet all students’ academic needs virtually starting Monday. Instructions for accessing report cards in focus [here](#)
- We are looking to offer some virtual social opportunities, virtual announcements, and other ways to have some normalcy and fun (like we get to do in person many days) in the coming weeks. Stay tuned! If you know of some virtual connections for teens, please send them my way and I can share.
- Yay for IRSC as being named top of the list for affordable college degrees! [Read more here](#)
- Just a few things to keep yourselves occupied in a positive way for the whole family: [Audible just made hundreds of titles completely free to help during coronavirus crisis](#) and [Field trips from home: All the places your kids can ‘visit’ virtually](#)

PLEASE PLEASE PLEASE do not hesitate to reach out to your Clark family if you are in need of anything as we all share the experience of virtual learning during a pandemic together. We will do everything we can to help or find the help you need.
