Welcome to our two new faces (soon) at Clark. Officer John Osuch, security, and Mr. Jean Plaisimon, Student Success Services. We are excited to have them on the team!

Handbook Highlight of the Week

If the student must leave campus before the end of his/her scheduled school day, the following steps must be taken:

1. See Student Services in Room 137 (Knowledge Room office).
2. Student Services contacts parent/guardian to obtain permission to leave early.
3. Upon receiving permission, student and parent must sign out in the log book located at the front desk. Before a student can be released to anyone, authorization must be verified through Student Services.

Students scheduled to be in a class in the Clark building are NEVER to leave the building without the knowledge of a Clark employee.

Articles of Interest for Parents/Guardians

For our new parents- each week I will add a couple links to articles that are pertinent to many of our families. Please feel free to email me with topics you'd like to see included. I am simply sharing ones that seem relevant and interesting and many families in the past have expressed that they are useful. Feedback and input always welcome!
