Appreciation and Celebration

Thanks to the family of **Morgan Uber** for providing the delicious staff breakfast this week!

Each week, we recognize a student for acts of kindness and good character. As nominated by Mrs. Kohuth, this week's Clark Caring Crane goes to **Victoria Tsang**. Mrs. Kohuth writes, "I was carrying a big box and when Victoria saw me, she jumped right up and came to assist!" If you've seen acts of kindness, write a slip in the office or email ljudd@irsc.edu

Senior, Hannah Martin, was named to the TCPalm 2019 Girls Cross-Country All-Area Team! Read about her [here](#).

Kudos to **Jordyn Abbott** for turning in a gold ring that was left in the bathroom. The owner was beyond grateful for her honesty and integrity! Little choices = big impact.

Congratulations to the **January Clark Crane Staff Award** winners, **Officer Martha Williams and Mrs. Debbie Kohuth**! They were nominated for their extra attention to safety and security at Clark. Both know our students well and work to build positive relationships with every person who enters the Clark campus, so they surely know when someone enters campus who doesn't belong! They truly demonstrate "service with a smile!" Has a staff member made a big impact on you or your student this year, if so, email dkohuth@irsc.edu with a brief description and s/he may be next month's Crane winner!
