### **Volunteers needed!**

**Pumpkin Delivery** Saturday, October 12<sup>th</sup> Time TBD

Volunteers are needed to help unload pumpkins and set up an annual Pumpkin Patch Fundraiser at the Palm City Farms Produce & Market. The Palm City Farms Produce & Market is also the location of our production farm, "Growing Hope Farms", so you can get a tour of our hydroponic greenhouses at the same time! This volunteer opportunity is very physical and is best for middle school-aged volunteers and older. Middle school volunteers need to be accompanied by a parent or guardian. High schoolers can volunteer solo as long as they have a parent signature. This is a great way to earn some extra hours for school! If you'd like to join us or be notified of the time of delivery, please email [lauren@hohmartin.org](mailto:lauren@hohmartin.org)
