**Position(s) of Interest** (click the box):

- E1 Technical Support (High School support)
- E2 Technical Support (Elementary School support)
- Auditorium Sound-booth Technician
- Graphic Designer

### Section 2: Principal Completes

The above listed candidate is applying for the District's S3+ program by which the student augments the District by serving in one or more positions, as noted above, for which we request your recommendation.

- Students serving in the Auditorium Sound-booth Technician and the Graphic Designer positions work after school hours.
- Students serving in the E1 and E2\* Technical Support positions work during school hours and are assigned to an Executive Internship course.

\*If an E2 student is deemed unsuitable for the program (e.g. attendance, conduct, transportation issues), then the student's employment will be terminated. Therefore, the student shall be reassigned to the high school to perform duties as a student aide in a capacity you deem appropriate.

I recommend the student for the S3+ program (click the box).
