April Math Riddle

You like math?

Solve the riddle below:

Three prime numbers add up to 100. Of the three numbers, one of them is more than a third but less than a half of another. Find the three numbers.

❏   Please submit your answer with your name and work shown to Mr. Bicksler **(Room 135 or bbicksle@irsc.edu)** by April 26th.

❏   You will receive 1 service hour for submitting your answer, and a $10 gift card will be awarded to the randomly selected correct answer.

❏   The winner will be selected at the end of the month!
