Handbook Highlight

Just a friendly reminder... about a dozen students were issued first warnings on mask compliance (over mouth and nose) this week. We have had VERY LOW student cases and no school based spread and REALLY want to keep it that way! Here is an excerpt from the college policy. As of now, there have been no changes regardless of vaccine status. Policy excerpt:

The College cannot guarantee a risk-free environment. However, the following health measures will reduce the likelihood of contracting COVID-19 on campus and are required of all members of the College community:

- Face coverings are **required to be worn in all common spaces inside** of our facilities (e.g., classrooms, common work or living spaces, meeting rooms, hallways, etc.) **or when six feet of physical distancing cannot be maintained**;
- All members of the College are to practice six feet of physical distancing to the greatest extent possible

STUDENT/PARENT TRANSPORTATION

For Clark students, there is no parking fee; however, a Clark decal must be properly displayed on campus at all times.
