Dear Principals and English/Creative Writing Teachers,

It is that time of year for the Indian River State College area high schools' Creative Writing contest. Please see the enclosed flyers for specific details and deadlines. I received many wonderful submissions last year, and I am looking forward to receiving many more in 2021.

This contest is a wonderful way for students to receive IRSC scholarships. Once selections are made, the winners will be notified, followed by an award ceremony on April 1, 2021. Family members and teachers are welcomed and encouraged to attend this ceremony in support of the students who win in each grade. The first prize winner of the senior category will be eligible to publish his/her work in our peer reviewed Departmental journal.

I look forward to receiving wonderful submissions from your school. Please encourage students to mail their works by February 15, 2021. Thank you for participating in this exciting opportunity for our local high school students. If I can answer any additional questions, please feel free to contact me at [sbanerje@irsc.edu](mailto:sbanerje@irsc.edu).

Best,

Suchi Banerjee
